## Acceptance Letter

December 13, 2014

Dear Prof. Tuyakova Rauza,

We are pleased to inform that your manuscript "**Assessing the prevalence of *Yersinia pseudotuberculosis* and *Yersinia enterocolitica* infections in milk and dairy products in different sales outlets**" by Rauza et al., having Article ID: BM-057-14 has been peer-reviewed and found acceptable for publication in *Biology and Medicine*. It will be processed further and you will receive the first proof for checking soon.

In the meantime, we hope you would submit more manuscripts for peer-review in this journal. SNIP (Source Normalized Impact per Paper) value for 2013 in Scopus: **0.681**

Thank you for choosing to publish with us.

Sincerely,

Tanveer Beg, PhD  
Managing Editor
